NOTICE

BOIL ORDER LIFTED

City of Decatur Water Services has **LIFTED** the Boil Order issued for your neighborhood. Water sample tests show the water meets water quality standards and is now **SAFE** to resume normal use for drinking and cooking.

Some customers may experience discolored water or trapped air in household pipes.

Water Services recommends the following:

- ◆ Run cold water through your kitchen faucet for approximately 3 to 5 minutes.
- ◆ Run cold water through other faucets until a steady stream of clear water is visible.
- ◆ Clean and remove any debris from faucets screens/aerators if necessary.
- ◆ Please read the enclosed Yellow informational document regarding your drinking water.
