## **NOTICE OF WATER SERVICE REPAIR**

**A City of Decatur Water Services Crew or an authorized City Contractor has recently disrupted water service to your home to perform maintenance on your Water Service or Water Meter.**

### *Possible impacts:*

- ◆ Inside plumbing may have air in pipes.
- ◆ Discolored water.
- ◆ Debris trapped in faucet aerators/screens.

### *Water Services recommends the following:*

- ◆ Run cold water through your kitchen faucet for approximately 3 to 5 minutes.
- ◆ Run cold water through other faucets until a steady stream of water is visible.
- ◆ Clean and remove any debris from the faucet screens/aerators if necessary.
- ◆ Please read the enclosed Yellow informational document regarding your drinking water.

**FOR ADDITIONAL INFORMATION REGARDING THE SERVICE REPAIR  
PLEASE CONTACT WATER SERVICES AT 217-875-5705**
